6 Click here.

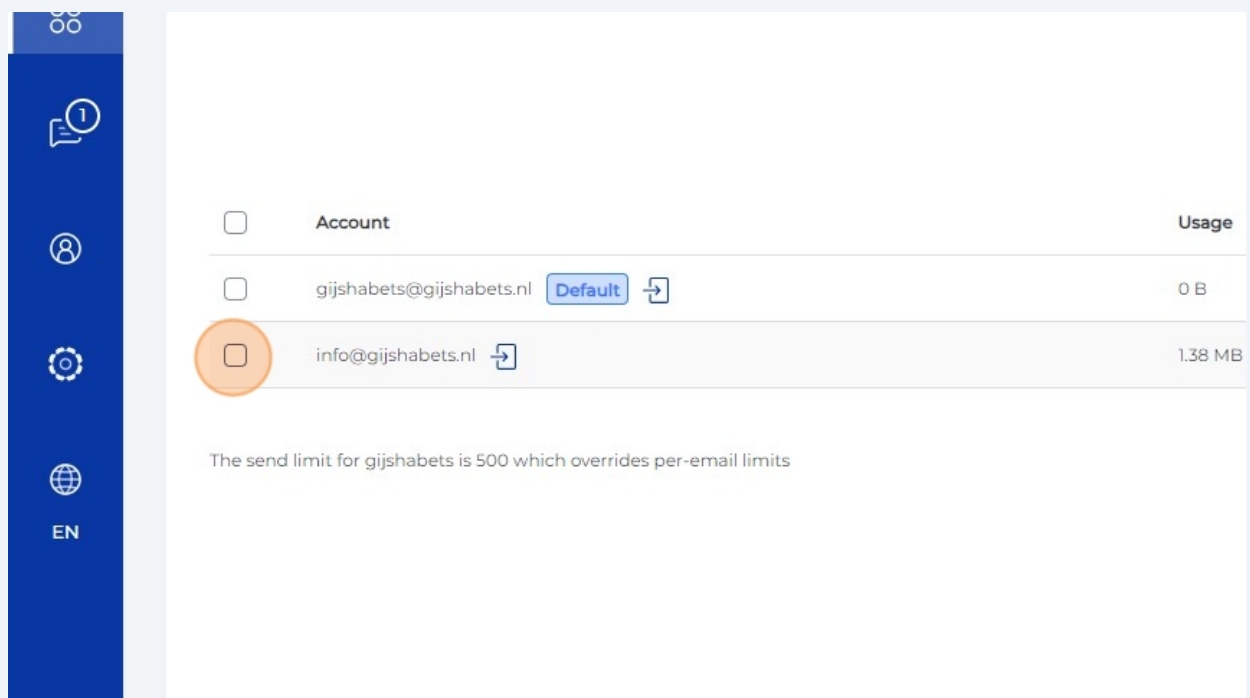

7 Click here.

8 Click "E-mail Accounts"

9 Click here.

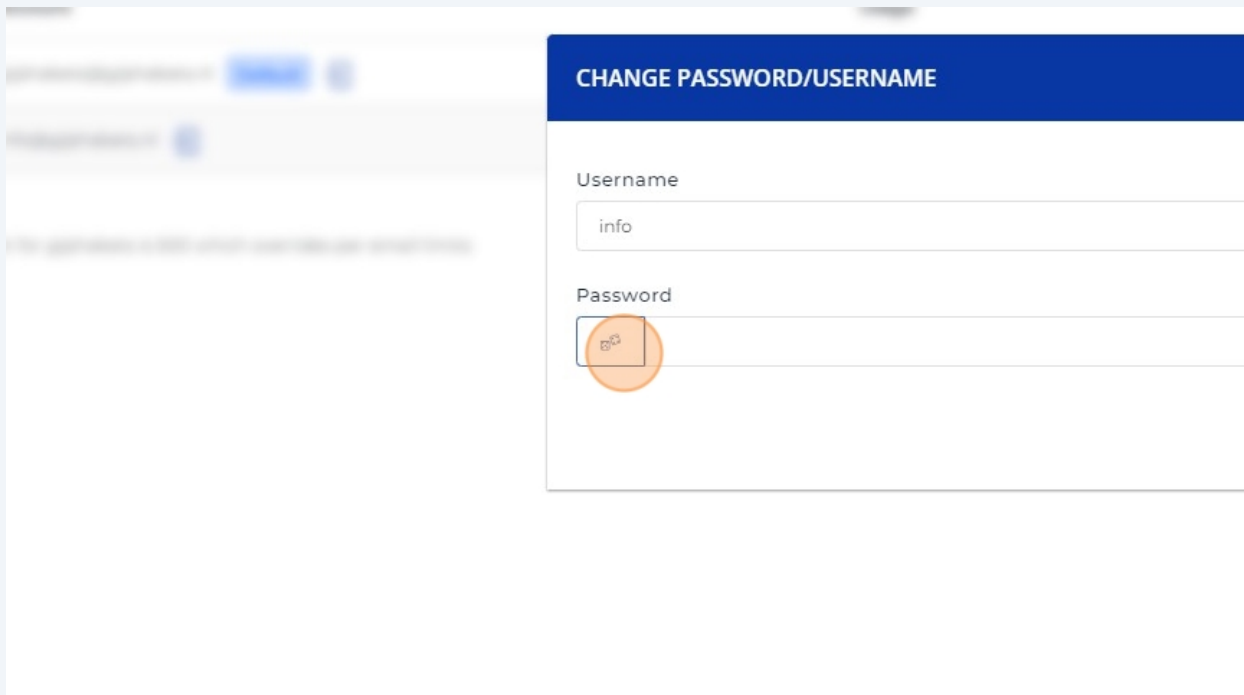

10 Click this icon.

The screenshot shows a web interface for managing email accounts. On the left, there is a table with two columns: 'Sent' and 'SMTP Log'. The first row is a header with 'Sent' and 'SMTP Log'. The second row has 'In = Out' and a '+' icon. The third row is highlighted in light gray and contains a question mark icon, '0 / 500', 'In = Out', and a large orange '+' icon. Above the table, there are buttons for 'Suspend', 'Unsuspend', 'Delete', and 'Purge', and a 'Columns' dropdown menu. On the right, there is a sidebar with sections: 'Actions' containing '+ Create Account', 'Disable DKIM', and 'Back'; 'Details' containing 'Total Usage 1.38 MB' and 'Sends 0'; and 'E-mail Accounts 2 / 10'.

11 Click "Change Password/Username"

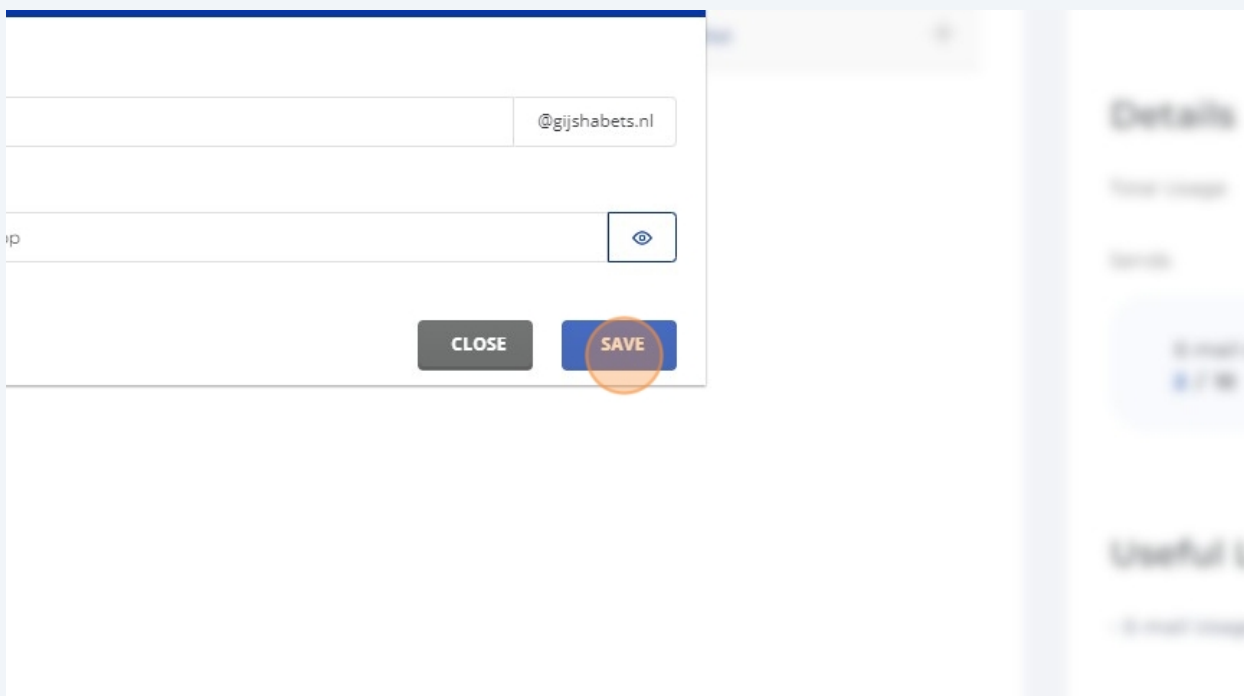

This screenshot is similar to the previous one, but with a context menu open over the third row of the table. The context menu has two options: 'Change Password/Username' and 'Change Limits'. The 'Change Password/Username' option is highlighted with an orange circle. The rest of the interface, including the table, buttons, and sidebar, remains the same as in the previous screenshot.

12 Click this button.

The screenshot shows a modal dialog titled "CHANGE PASSWORD/USERNAME" with a blue header. It contains two input fields: "Username" with the text "info" and "Password". In the "Password" field, there is a small square button with a circular arrow icon, which is highlighted by an orange circle. The background of the application is blurred.

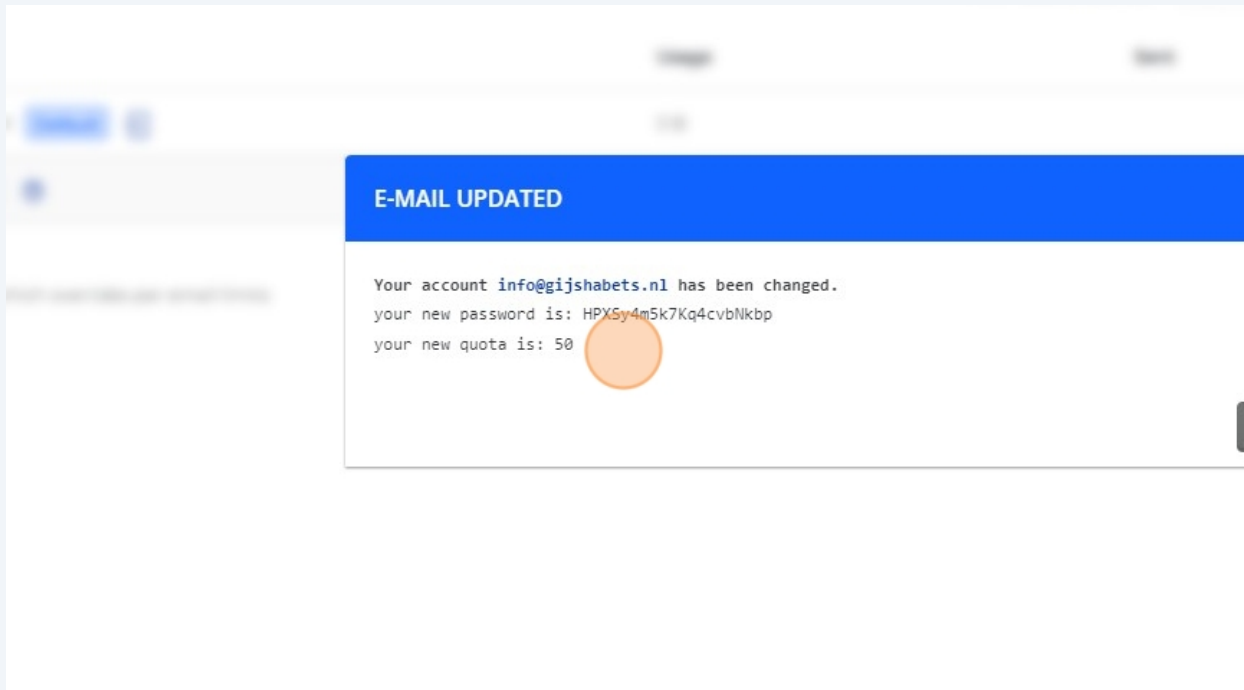

13 Click "SAVE"

The screenshot shows a form with several input fields. The top field contains "@gijshabets.nl". Below it, another field has a small eye icon button. At the bottom of the form, there are two buttons: "CLOSE" and "SAVE". The "SAVE" button is highlighted with an orange circle. The background shows a blurred sidebar with sections like "Details" and "Useful".
